

# Part III Patient Encounters and Performance Skills (PEPS<sup>®</sup>) Examination

SITE INFORMATION & EQUIPMENT LIST

The information listed in this Part III PEPS Examination Site Information and Equipment List is for informational purposes only. There may be additional equipment or supplies on-site during the exam that may not be reflected in this manual. Additionally, equipment and supplies may change without warning.

This information is not intended to prepare candidates for the exam, but to provide a general overview of equipment and supplies used during the exam. Candidates are reminded to thoroughly review the evaluation forms and Candidate Guide to adequately prepare for the Part III PEPS Examination.
